# REMOTE PRODUCTION

Stream your live video with **ultra-low latency** and **broadcast-quality** from any location, to any device, and for audiences of any size.

Our **remote production solutions** enable **4K and HD** video capture, switching, and transmission with **IP communication, remote intercom, timecode synchronization, and distribution via NDI, SRT, or RTMP.**

We utilize **fiber optic networks, 4G/5G, and satellite** to ensure a stable, high-quality broadcast, eliminating geographical barriers and reducing operational costs.

Ideal for **sports events, conferences, eSports, concerts, and multi-camera productions, remote production** allows for decentralized operation, with directors, camera operators, and technicians working from different locations while maintaining seamless coordination and broadcast excellence.

**Take your production to the next level with Digital Azul.** Contact us to configure the best solution for your event.

# HIGH SPEED CAMERAS

**Capture the poetry within a moment with our high speed cameras**

High-speed cameras - like the Phantom - can capture thousands of frames per second, allowing us to see once-noticeable changes in motion over a longer period of time with truly sweeping effects. Food and other objects are perceived in a whole new and different way - smooth, organic, glamorous and appetizing.

## IMAGE AND SOUND STUDIOS

**In the heart of Lisboim we have a 70m2 image studio and two sound studios (stereo and surround)**

Our image studio is 70 m2 and is perfectly isolated in terms of sound. It has a green cyclorama, but can be painted with another color of your choice quickly. The studio has a gutter system for white, or black curtain, for the remaining projects. In addition, there is a production support kitchen, a catering area, dressing room, wardrobe and make-up. Digital

Azul is at the forefront of interactive media as a provider of audio services to the advertising industry and the broadcast industry. We have 2 sound studios fully equipped for your audio production, be it dubbing, voiceover or song. One of the studios is 5.1 for projects that require recording with this feature.

SKU	Product	Price

# PROCEDIMENTOS DE ALUGUER

**Confirmação:** A confirmação da reserva de equipamento é feita por email: [producao@digitalazul.pt](mailto:producao@digitalazul.pt) com o envio dos dados da entidade a facturar, ou por login no nosso site, com os produtos escolhidos adicionados à sua lista de consulta, com as datas de aluguer escolhidas.

**Dados necessários:** Nome; Morada; Número de contribuinte; Contacto telefónico móvel; E-mail.

**Documentos necessários:** Cartão de Cidadão ou passaporte e comprovativo de morada da pessoa que vier recolher o equipamento.

**Pagamento:** O pagamento do valor de aluguer é efectuado no acto de levantamento do equipamento (multibanco ou numerário).

**Verificação do Equipamento:** Todo o equipamento que a Digital Azul aluga é equipamento destinado a profissionais. É da inteira responsabilidade do cliente proceder a testes e verificação do equipamento aquando do aluguer do mesmo. A Digital Azul não se responsabiliza por configurações que não tenham sido testadas previamente nas nossas instalações.
